### HOW TO ARRANGE A VISIT!

Accompanying these instructions is a map of the area and two forms to fill in for each visitor. The project is very remotely placed, and for your own safety we strongly advise no one to make their own way from Raipur [the nearest City and Airport and Railway Station] to the project by themselves. It is best to be collected by our project welcoming party: at Raipur Airport or from a hotel in the city of Raipur. There are many types of hotels in Raipur that can be booked in advance or found on arrival. Suggestions can be made by Vijay the project manager. There is usually a one-night stop over in a hotel as we only drive to the project in daylight that takes approximately 6/7 hours including a stop for refreshments.

A] Telephone Tira Brine TTT Chairperson in UK **01458. 835531 or 07980.944720** then telephone the project manager Vijay in the jungle: **India 0091 .7780.273075 or 7780.273047**. The Hospital, School and Ashram are all within approximately 1klm of each other in a triangle with the Hospital and School near the river Barda 4 Klms from Kapsi which is 10 Klms from Pakhanjur [see enclosed map] the largest Shanty Town in the area.

B] Any difficulty getting through to Vijay, then please telephone Dadaji [Project Director] Charu Dasi [Our TTT trustee] resident in Northern India, who can assist with arrangements if necessary. Tel: 0091.565.6419430

C] Arrange for a tourist visa available through the Indian Embassy or can be processed through your travel agent when buying your ticket. Fly to Delhi Airport.

D] Internal flight from Delhi to Raipur Airport C.G. Chattisgarh [Flights can be booked with your travel agent] The Internal Flight is 2 hours; costs £198.00 return [priced in October 2007]

E] Alternatively travel down by Overnight Train from Delhi to Raipur which takes around 24 hours; also bookable with your travel agent; costs vary with different classes - Tourist Class is about £30.00 single or a normal sleeper at £10.00.

F] Accommodation; We provide your own room with a bed and mosquito net [please bring your own sleeping bag or bedding] and meals will be provided in the ashram or in 'The Ranch' [Hospital Accommodation Block]. Costs to be discussed when in contact with us.

G] Whilst TTT and the Indian Committees and Ashram will do everything in their power to ensure your safety, well being and pleasure at your visit. We ask you to please fill in our two disclaimer forms that accompany this information sheet as we cannot be held responsible for any injury or loss of limb/life, physical, mental, personal property or financial well being and that you or your relatives can make no claim on the TTT, Indian Committee, ashram, School, or clinic staff, fundraisers or it's servants.
